# TASK CARD VARIATIONS

Here are some fun ways to use these cards:

- As a Scoot Game (directions provided on pg. 3)
- Ticket In/Out the Door (directions provided on pg. 4)
- Read one to the class each day; pick on several students to share out.
- Read one to the class each day; have them talk and share with partners.
- Read one to the class each day; they use a whiteboard to answer.
- Play a game with the class: split the class into teams. Each team sends up a representative. Everyone else needs to have a sheet of paper or a whiteboard. While the rep is answering, every student needs to answer too. The first representative to finish and is correct gets 2 points. The other rep gets 1 point if they are correct too. Both teams could earn an extra 3 or 4 points if 90% of the team answered correctly on their sheets or white boards.
