ELF WRITING PROMPT #3

I think that kids should go to sleep early on Christmas Eve. That way, Santa can sneak into their house without anyone seeing him.

What is your opinion: What time should children go to sleep on Christmas Eve? Make sure to give reasons why.

ELF WRITING PROMPT #8

Whenever it's really cold outside a cup of warm cocoa always warms me up. I think it's delicious.

Do you like to drink cocoa? Write your opinion about cocoa or tell me about a time that you had warm cocoa.

ELF WRITING PROMPT #15

In Santa's workshop we have a lot of decorated Christmas trees. We like to decorate them differently. One tree has all candles, one tree is covered in ice crystals, my favorite tree has candy canes and cranberry garland on it.

How do you decorate your Christmas tree? Write and tell everything you put on your tree. Make sure to use adjectives that describe so I can picture it really well!

ELF WRITING PROMPT #19

Did you know that part of our duties as elves is to take care of the reindeer? Prancer is such a nice reindeer. Blitzen is kind of shy. Taking care of the reindeer is hard work, though. Especially on bath day!

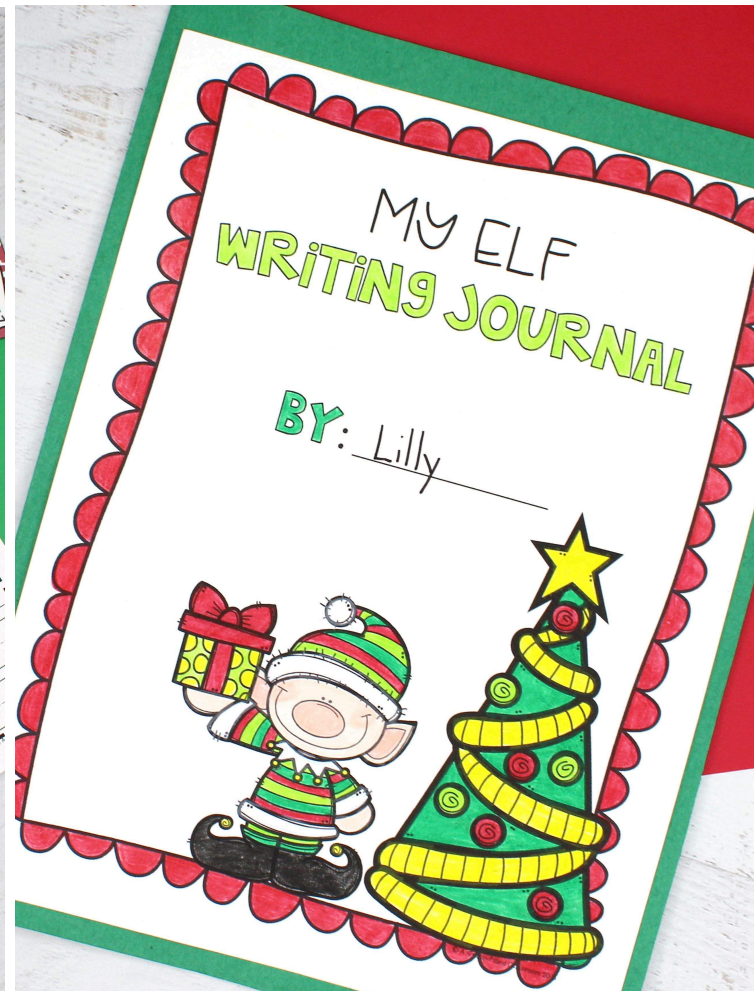

Would you want to help take care of the reindeer? Write to tell what you would do if you could spend a day with Santa's reindeer.
